**Introducing Barrier...**an advanced surface sealer that provides the ultimate stain protection for your surface investment without altering its natural appearance.

## Barrier

### STAIN BLOCKING SURFACE SEALER

- Guards Against Food, Oil, Organic & Water Stains
- Extended Sealer Life Performance
- Engineered For Areas Frequently Exposed To Staining
- Ideal For High Use Surfaces Where Ease Of Maintenance Is Important
- Invisible Semi-Penetrating Water Based Sealer

#### Coverage Per Gallon:

APPLICATION	SQ FEET	SQ METERS
Pavers & Other Hardscape Surfaces	75-150	7-13.9
Concrete	115-175	10.7-16.3
Retaining Walls & Other Vertical Surfaces	75-100	7-13.9

Coverage based on two coats applied wet-on-wet at right angles to first coat. Use approximately two thirds of the estimated amount on the first coat and one third on the second ensuring saturation and complete coverage. Actual coverage may vary depending on the type, age, condition and porosity of the surface, application method and other local conditions such as temperature.

#### Suitable Surfaces:

**Barrier** can be used on concrete & clay pavers, natural & manufactured stone, travertine, flat & stamped concrete, segmental retaining wall block, concrete walls, exposed aggregate, unglazed tile and grout. Always perform a pre-test in a small area to verify performance and appearance before applying.
